EDUCATION

Arizona State University, School of Human Evolution and Social Change

Ph.D., Sociocultural Anthropology, May 2022

- Dissertation: “Contact Tracing in a Pandemic: The Gap Between Practice and Academic Discourse”
- Committee: Megan Jehn (Chair), Daniel Hruschka, Monica Gaughan

Arizona State University, Sandra Day O’Connor College of Law

J.D., December 2013

- Graduated Cum Laude, Top 15% of Class
- Certificate in Law, Science, and Technology with a specialty in Health Law

University of Southern California

B.A., Communication, Anthropology, May 2009

- Graduated Summa Cum Laude

POST

GRADUATE TRAINING

Wellstar Hospital System, Clinical Ethics

Postdoctoral Clinical Ethics Fellow, January 2022 - Present

CURRENT

PROFESSIONAL APPOINTMENTS

Wellstar Hospital System, Clinical Ethics

Clinical Ethics Fellow, January 2022 - Present

- Assisted with and performed ethics consultations on a high volume service (800+ consults a year) across 11 hospitals, 3 inpatient hospice facilities, 3 skilled nursing facilities, and numerous outpatient sites on the Wellstar Ethics Consultation Service.
- Created and provided internal trainings on various ethical issues for Wellstar staff across disciplines, including physicians, nursing, and case management.
- Conducted quality improvement research on current clinical ethics consultation tracking and coding systems for better cross hospital and cross ethicist data analysis.

Mayo Clinic Alix School of Medicine, Arizona

Adjunct Faculty

- Foundations of Biomedical Ethics [Ethics 1] (Fall 2017 - Present)
- Ethics 3 (Winter 2019, Winter 2021)

Mayo Clinic Alix School of Medicine, Rochester

Adjunct Faculty

- Ethics 1 (Fall 2020 - Present)

Arizona State University, COVID-19 Response Team

Graduate Research Assistant, Summer 2020 - Fall 2021

- Supervised case investigators on behalf of the Maricopa County Department of Public Health in eliciting contacts, demographic information, symptoms, and medical history from COVID-19 cases.
- Created training materials for case investigators and supervisors regarding HIPAA compliance, confidentiality, empathic communication, contact elicitation, public health processes, and ethics of case investigations.
- Established internal policies for case investigations regarding the confidentiality, legal compliance, and ethics of conducting interviews during an ongoing public health emergency.
- Conducted research on the qualitative experiences of case investigators.

Arizona State University, Sandra Day O'Connor College of Law

Public Health Law and Policy Program

Research Fellow, Spring 2017

- Provided technical legal assistance (consulting, editing, and planning without an attorney client relationship) on emerging public health law issues for the Western Region of the Network for Public Health Law.
- Contributed to ongoing team research projects involving public health emergency legal preparedness issues around the United States.
- Presented on a variety of public health law topics within and outside the university to both other academics and public health practitioners.
- Worked on "The Five Essential Public Health Law Services Project," a mixed methods initiative between ASU, Temple University, and ChangeLab Solutions involving legal analysis, network analysis, and qualitative interviewing.

Arizona State University, School of Public Affairs

Graduate Research Assistant, Spring + Summer 2015

- Created semi-structured interview protocol and conducted interviews of National Research Council report panel chairs regarding their panel experiences, research processes, and information inclusion decisions.
- Contributed to National Science Foundation and National Institutes of Health grant preparation.

Arizona State University, Sandra Day O'Connor College of Law

Public Health Law and Policy Research Team

Senior Legal Research Assistant, Summer 2013

- Provided literature review and editing assistance for the Public Health Law in a Nutshell text.

Legal Research Assistant, Spring 2011 – Summer 2012

- Helped prepare the chapter "Legal Issues in Emergencies" for the IOM Crisis Standards of Care: A Systems Framework for Disaster Response Report (2012).
- Prepared for and helped implement the Annual Health Law Professors Conference hosted at ASU in the summer of 2012.
- Provided public health law research assistance to external legal and public health practitioners throughout the Western Region as part of the Network for Public Health Law's technical assistance initiative.

Arizona State University, SHESC Culture, Health, and Environment Lab

Graduate Research Assistant, Spring 2013

- Performed qualitative analyses, including thematic interpretive analysis, codebook creation, and codebook testing for data regarding perceptions of water across countries from the Annual Global Ethnohydrology Study (including data from the 2008, 2011, and 2012 studies).
- Supervised teams of undergraduate students through codebook validation.
